Training Days:

Training will be on Tuesdays & Thursdays starting at 4.30pm. Training will be conducted in surf swims, board, sprints & flags.

We request that all interested members take the training sessions seriously as the coaches are giving up their own time to teach and educate young members in Surf Lifesaving. No bad behaviour will be tolerated.

Parents are asked to attend with children: it is not a baby sitting service, and behaviour control is needed.

Please note if water conditions are not suitable the children will do beach events.

Club Cossies:

Got your gear? Great. Here's how to look after it:

All swimwear will deteriorate when exposed to chlorine & salt water. Some materials may be chlorine resistant but are not fully protected from the damage chlorine can cause. All swimwear should be rinsed in fresh, clean, cold water. Do not use washing machine.
