Girls Learn to Surf Weekend

Surf Life Saving Illawarra will be holding a Girls Learn to Surf Weekend on Sunday 21st & Monday 22nd December 2008 at Thirroul SLSC.

The weekend is open to all members aged between 13–17 who hold an SLSA accredited Surf Rescue Certificate or Bronze Medallion.

It is anticipated that involvement in this camp will allow each participant to produce ongoing achievements as a result of establishing a new network of members and through involvement in other components such as leadership development, team building and heaps of “Serious fun!”

Application is by a form available from Sharon Scott or at SLSI website (www.illawarrasurf.com) which is to be forwarded to Surf Life Saving Illawarra by Friday 15th December 2008. All applications are to accompany a cheque for \$50.00 made payable to Surf Life Saving Illawarra.

Christmas/New Year Break

Please remember that our last session for this year will be on Sunday 21 December.

There are no sessions on Sunday 28th December, Sunday 4th January or Sunday 11th January.

We return in the New Year on Sunday 18 January.

Christmas Hamper

We're still looking for donations of non-perishable goods for our annual raffle prize. Note that non-perishable can include foodstuffs that won't go off sitting in a hamper, such as tinned goods.

Toys, clothes, books, music etc are most welcome.

If you can help out, or just want to check what we can and can't accept, please contact Sharon Scott on 0413 952 474.

Boards

We've come up with an idea that will help provide more members with access to boards and also build members' sense of ownership of boards. When a member and the club go 50/50 in the purchase price of a board, that member will have exclusive use of the board and, when that board is no longer needed or used, the club will buy out the member for 25% of the original purchase price.

So, if a board costs \$800, the club pays \$400 and the member pays \$400. When the member stops using the board, the club buys it from them for \$100.

The member has had to pay just \$300 for a personal board, and the club gets a training board for \$500. Everyone wins.
